Rediscover the adventure and romance of this evocative historical novel from bestselling author Deanna Raybourn. Paris, 1923. The daughter of a scandalous mother, Delilah Drummond is already notorious. But her latest scandal is big enough to make even her oft-married mother blanch. Delilah is exiled to Kenya and her favorite stepfather's savanna manor house until gossip subsides. Fairlight is the crumbling, sun-bleached skeleton of a faded African dream, a world where dissolute expats are bolstered by gin and jazz records, cigarettes and safaris. As mistress of this wasted estate, Delilah falls into the decadent pleasures of society. Against the frivolity of her peers, Ryder White stands in sharp contrast. As foreign to Delilah as Africa, Ryder becomes her guide to the complex beauty of this unknown world. Giraffes, buffalo, lions and elephants roam the shores of Lake Wanyama amid swirls of red dust. Here, life is lush and teeming—yet fleeting and often cheap. Amidst the wonders—and dangers—of Africa, Delilah awakes to a land out of all proportion: extremes of heat, darkness, beauty and joy that cut to her very heart. Only when this sacred place is profaned by bloodshed does Delilah discover what is truly worth fighting for—and what she can no longer live without. Originally published in 2013

If Students Need to Know It, It's in This Book This book develops the English and language arts skills of high school students. It fosters skill mastery that helps them succeed both in school and on the Massachusetts Comprehensive Assessment System (MCAS). Why The Princeton Review? We have more than 20 years of experience helping students master the skills needed to excel on standardized tests. Each year we help more than 2 million students score higher and earn better grades. We Know the Massachusetts Comprehensive Assessment System Our experts at The Princeton Review have analyzed the MCAS, and this
