About Design, When Everybody
Designs. The role of design, both
expert and nonexpert, in the ongoing
wave of social innovation toward
sustainability. In a changing world
everyone designs: each individual
person and each collective subject,
from enterprises to institutions, from
communities to cities and regions,
must define and enhance a life
project. Sometimes these projects
generate unprecedented solutions;

By Ezio Manzini. In a fast and profoundly changing world everybody designs. The result of this diffuse designing is that society as a whole can be seen as a huge laboratory in which new social forms, solutions and meanings are produced. These transformative activities require unprecedented economic models and courageous design choices.
