game design, etc., I managed to launch DARQ to both commercial success and critical acclaim. With zero dollars spent on marketing, it was featured in major media outlets, such as IGN, Kotaku, PC Gamer, GameSpot, Forbes, and hundreds of others. Ultimately, DARQ became #42 Most Shared PC Video Game of 2019, according to Metacritic, with the average user rating of 9 out of 10. In my book, I'm sharing with you exactly how I did it. The book guides you through a step-by-step process of making a game: from downloading a game engine to releasing your first commercial title. The book features advice from 15 industry professionals, including Mark Kern (team lead of World of Warcraft), Quentin De Beukelaer (game designer of Assassin's Creed IV: Black Flag,

Anyone can master the fundamentals of game design - no technological expertise is necessary. The Art of Game Design: A Book of Lenses shows that the same basic principles of psychology that work for board games, card games and athletic games also are the keys to making top-quality videogames. Good game design happens when you view your game from many different perspectives, or lenses. While touring through the unusual territory that is game design, this book gives the reader one hundred of these lenses - one hundred sets of insightful questions to ask yourself that will help make your game better. These lenses are gathered from fields as diverse as psychology, architecture, music, visual design, film, software engineering, theme park design, mathematics,
