Former military cop Jack Reacher makes it all the way from snowbound South Dakota to his destination in northeastern Virginia, near Washington, D.C.: the headquarters of his old unit, the 110th MP. The old stone building is the closest thing to a home he ever had. Reacher is there to meet—in person—the new commanding officer, Major Susan Turner, so far just a warm, intriguing voice on the phone. But it isn't Turner behind the CO's desk. And Reacher is hit with two pieces of shocking news, one with serious criminal consequences, and one too personal to even think about. When threatened, you can run or fight. Reacher fights, aiming to find Turner and clear his name, barely a step ahead of the army, and the FBI, and the D.C. Metro police, and four unidentified thugs. Combining an intricate puzzle of a plot and an exciting chase for truth and justice, Lee Child puts Reacher through his paces—and makes him question who he is, what he's done, and the very future of his untethered life on the open road. Don't miss Lee Child's short story "High Heat" in the back of the book. Praise for *Never Go Back* "A breathless cross-country spree . . . some of the best, wildest writing [Lee] Child has ever done . . . Child's bodacious action hero, Jack Reacher, has already tramped through 17 novels and three e-book singles. But his latest, *Never Go Back*, may be the best desert island reading in the series. It's exceptionally well plotted. And full of wild surprises. And wise about Reacher's peculiar nature. And positively Bunyanesque in its admiring contributions to Reacher lore."—Janet Maslin, *The New York Times* "Welcome to the relentless world of Jack Reacher and his impressive tendency to be in the wrong place at the right time. . . . Child has created an iconic character

that other thriller writers try to emulate but don't come close to matching. He has a talent for taking material that in the hands of other authors would be stale and making it seem fresh. . . . Tight and compelling . . . Never Go Back is one of Child's best novels."—Associated Press "An adrenaline-charged, action-packed thriller . . . impossible to put down."—Lansing State Journal "The dialogue has never been sharper. . . . The pages turn themselves."—San Antonio Express-News "For the pure pleasure of uncomplicated, nonstop action, no one touches Reacher."—Kirkus Reviews (starred review) "Brilliant . . . Child never, ever slips. He keeps the action cranking better than anyone, but, best of all, he keeps us guessing about Reacher."—Booklist (starred review) "One of the best in the series."—Publishers Weekly (starred review)

NEW YORK TIMES BESTSELLER Thriller master Lee Child returns with an exclusive eBook novella. In the midst of a savage heat wave and an infamous murder spree, a blackout awakens the dark side of the city that never sleeps—and a young Jack Reacher takes action as only he can. Don't miss the exciting preview of Lee Child's highly anticipated Jack Reacher novel, *Never Go Back!* July 1977. Jack Reacher is almost seventeen, and he stops in New York City on the way to visit his brother at West Point. The summer heat is suffocating, the city is bankrupt, and the mad gunman known as Son of Sam is still on the loose. Reacher meets a woman with a problem, and agrees to help her . . . but then the power grid fails and the lights go out, plunging the lawless city into chaos. What does a visiting teenager do in the

dark? If that visiting teenager is Jack Reacher, the answer is plenty. Praise for Lee Child and his Jack Reacher novels “Jack Reacher is the coolest continuing series character now on offer.”—Stephen King, in Entertainment Weekly “Like his hero, Jack Reacher, Lee Child seems to make no wrong steps.”—Associated Press “The truth about Reacher gets better and better.”—Janet Maslin, The New York Times “[A] feverishly thrilling series . . . With Child, you can always count on furious action.”—The Miami Herald “One of the best thriller characters at work today.”—Newsweek “Jack Reacher is much more like the heir to the Op and Marlowe than Spenser ever was.”—Esquire “Widely admired by other writers as a master craftsman of action thrillers.”—The Wall Street Journal

NEW YORK TIMES BESTSELLER □ “Jack Reacher is the coolest continuing series character now on offer.”—Stephen King, in Entertainment Weekly #1 New York Times bestselling author Lee Child follows the electrifying 61 Hours with his latest Reacher thriller—a story that hits the ground running and then accelerates all the way to a colossal showdown. There’s deadly trouble in the corn country of Nebraska . . . and Jack Reacher walks right into it. First he falls foul of the Duncans, a local clan that has terrified an entire county into submission. But it’s the unsolved case of a missing child, already decades-old, that Reacher can’t let go. The Duncans want Reacher gone—and it’s not just past secrets they’re trying to

hide. They're awaiting a secret shipment that's already late—and they have the kind of customers no one can afford to annoy. For as dangerous as the Duncans are, they're just the bottom of a criminal food chain stretching halfway around the world. For Reacher, it would have made much more sense to keep on going, to put some distance between himself and the hard-core trouble that's bearing down on him. For Reacher, that was also impossible. *Worth Dying For* is the kind of explosive thriller only Lee Child could write and only Jack Reacher could survive—a heart-racing page-turner no suspense fan will want to miss.

“A thriller that gallops at a breakneck pace.”—Chicago Sun-Times Jack Reacher.
Hero. Loner. Soldier. Soldier's son. An elite military cop, he was one of the army's brightest stars. But in every cop's life there is one case that changes everything. For Jack Reacher, this is that case. New Year's Day, 1990. In a North Carolina motel, a two-star general is found dead. His briefcase is missing. Nobody knows what was in it. Within minutes Reacher has his orders: Control the situation. Within hours the general's wife is murdered. Then the dominoes really start to fall. Somewhere inside the vast worldwide fortress that is the U.S. Army, Reacher is being set up as a fall guy with the worst enemies a man can have. But Reacher won't quit. He's fighting a new kind of war—against an enemy he didn't know he had. And against a conspiracy more chilling, ingenious, and treacherous than

anyone could have guessed. The Enemy, like most of the books in the Jack Reacher series, can be read as a standalone thriller.

Two lonely towns in Colorado: Hope and Despair. Between them, twelve miles of empty road. Jack Reacher never turns back. It's not in his nature. All he wants is a cup of coffee. What he gets is big trouble. So in Lee Child's electrifying new novel, Reacher—a man with no fear, no illusions, and nothing to lose—goes to war against a town that not only wants him gone, it wants him dead. It wasn't the welcome Reacher expected. He was just passing through, minding his own business. But within minutes of his arrival a deputy is in the hospital and Reacher is back in Hope, setting up a base of operations against Despair, where a huge, seething walled-off industrial site does something nobody is supposed to see . . . where a small plane takes off every night and returns seven hours later . . . where a garrison of well-trained and well-armed military cops—the kind of soldiers Reacher once commanded—waits and watches . . . where above all two young men have disappeared and two frightened young women wait and hope for their return. Joining forces with a beautiful cop who runs Hope with a cool hand, Reacher goes up against Despair—against the deputies who try to break him and the rich man who tries to scare him—and starts to crack open the secrets, starts to expose the terrifying connection to a distant war that's killing Americans by the thousand. Now, between a town and the man who owns it, between Reacher and his conscience, something has to give. And Reacher never gives an inch.

For the first time—the first six explosive novels in Lee Child's #1 New York Times bestselling Jack Reacher series—now together in one e-book package! He never looks for trouble... But trouble never stops looking for him. **KILLING FLOOR** Ex-military policeman Jack Reacher isn't in the small town of Margrave, Georgia for less than an hour before he's arrested for murder. Not much of a welcome. All Reacher knows is that he didn't kill anybody. At least not lately. But he doesn't stand a chance of convincing anyone. Not a chance in hell... **DIE TRYING** When a woman is kidnapped off a Chicago street in broad daylight, Jack Reacher is unlucky enough to be taken with her. They're at the mercy of a group of men demanding an impossible ransom. Because Reacher's female companion is worth more than he imagines. Now he has to save them both—from the inside out—or die trying... **TRIPWIRE** Reacher's anonymity in Florida is shattered by an investigator who's looking for him. But soon after his arrival, the man is murdered. Retracing the PI's trail back to New York, Reacher wants to find out who was looking for him—and why. But he never expected the reasons to be so personal...or lethal. **RUNNING BLIND** Across the country, women are being murdered, victims of a disciplined and clever killer who leaves no evidence, no fatal wounds, no signs of struggle, and no apparent motive. They are truly perfect crimes. In fact, there's only one thing that links the victims...Jack Reacher. **ECHO RUNNING** Thumbing across the scorched Texas desert, Jack Reacher has nowhere to go and all the time in the world to get there. Cruising the same stretch of two-lane blacktop is Carmen Greer. For

Reacher, a lift comes with a hitch. Carmen's got a wild story—about her husband, her family, and a hometown that's pure gothic. She's also got a plan for all of them. And now Reacher's part of it... WITHOUT FAIL Skilled, cautious, and anonymous, Jack Reacher is perfect for the job: assassinate the vice president of the United States. In theory, that is. A female Secret Service agent wants Reacher to find the holes in her system, and fast—because a covert group already has the vice president in their sights. And they've planned for everything...except for Reacher.

Jack Reacher finds himself in bad company in the second novel in Lee Child's New York Times bestselling series. Jack Reacher is an innocent bystander when he witnesses a woman kidnapped off a Chicago street in broad daylight. In the wrong place at the wrong time, he's kidnapped with her. Chained together, locked in the back of a stifling van, and racing across America to an unknown destination for an unknown purpose, they're at the mercy of a group of men demanding an impossible ransom. Because this mysterious woman is worth more than Reacher ever suspected. Now he has to save them both—from the inside out—or die trying...
