The history of women in Morocco includes their lives from before, during, and after the arrival of Islam in the northwestern African country of Morocco.In 622 AD, as Islam arrived in Morocco, the women of Morocco received three basic rights under the Muslims’ religion: the right to live, the right to be honored and to be respected as a mother, and the right to own business and be able to work.

Women in Morocco - Wikipedia

Political life for women in Morocco has long been suppressed because of law and a very conservative culture. Recently, aspects of the nation have changed for the better. After King Mohammed VI ’ s revisions in the Moroccan Family Code, women were allotted a larger voice. In 2011, the Moroccan Arab Spring focused on women ’ s rights and issues.

Women ’ s Day: What has Changed and ... - Morocco World News

Women in government are underrepresented in most, if not all, countries worldwide. In many countries, women have had inadequate opportunities in social participation, especially in striving for political rights and power in the government and different institutions. This historical tendency still persists, although women are increasingly being elected to be heads of state and government.

Women in government - Wikipedia

Each of Morocco ’ s first five constitutions since independence began the same way: ‘ Morocco is a constitutional democratic and social monarchy. ’ The sixth Constitution in 2011 added the word ‘ parliamentary ’ : ‘ Le Maroc est une monarchie constitutionnelle, d é mocratique, parlementaire et sociale. ’ The monarchy is very old: the current dynasty dates back to the mid-17th century and ...
